

Light of Your Glory

Verse 1

We want this moment to count
There's nothing more we need now
Here in Your presence we're home
You wash away all fear now

You shine on us
Your Church responds

Chorus

In the Light of Your Glory our hope restored
In the presence of Your love, our joy is full
Our hearts rise to You, Our hearts rise to You
Let Your love light fires in us

Verse 2

Our prayer, Your will on the earth
There's nothing more we seek now
Your life our glorious light
Illuminates the future

You shine on us
Your Church responds

Chorus

In the Light of Your Glory our hope restored
In the presence of Your love, our joy is full
Our hearts rise to You, Our hearts rise to You
Let Your love light fires in us (x2)

Bridge

Holy One we love Your presence (x4)

You shine on us
Your Church responds (x2)
